

who we
are:

WE CREATE ENTERTAINING PROGRAMS AND SHOWS FOR KIDS AND TEENS, ENABLING THEM TO EXPLORE THEIR IMAGINATION WHILE USING INTEGRAL DISCIPLINES OF LEADERSHIP, TEAMWORK, AND INDIVIDUAL ARTISTIC EXPRESSION WITHIN THE ARENA OF A GROUP ENVIRONMENT.

Joy theatre programs build confidence and courage through love and laughter in a safe, creative, theatre environment for kids of all ages..... Teaching all aspects of comedy including: improv, sketch, characters, standup, clown, music and more, our members perform in a theatre style whether in a classroom or your school's stage, learning and doing all aspects of "what it takes" to put on a live theatrical show.

Want more comedy?

Joy Theatre's kids and directors can come to you to perform a live comedy show for your assemblies, a fun workshop afternoon for the whole campus, for a special treat for kids in a certain class, or for parties! Students will be invited to be on stage at various times throughout the show.

COME PLAY WITH US AT JOY THEATRE!
